

COMP3441/9441 Tutorial Week 13

Privacy

Read about RFID (radio frequency identification) tags on www.theregister.co.uk/content/55/31461.html.

1. Discuss how RFID tags may be used to improve everyday life, or to improve business functions.
2. Discuss how RFID tags may be misused to violate privacy.
3. Discuss what may be done to limit the dangers RFID tags pose to privacy.
