***What I want to do for fun and growth***

In this section, summarise at least two important aspects or hobbies in your life. Structure your answer as numbered list. In the next week, each of the items in the list will become a hyperlink to another web-page. So, carefully plan what you want to add to your personal website. For this week, you just need to provide a couple of lines about each chosen aspect. Some suggestions:

1. Leisure and Entertainment
2. Exercise and Health
3. Family holidays
